

Teacher Aide Course

A One Day Workshop or Three Part Workshops Supporting Learning in the Preparatory Year

The role of a Teacher Aide in a Prep classroom is a vital, yet complex one. This workshop will focus on strategies that can be used to support and extend student learning, explore a range of assessment tools to monitor student progress and consider management methods relevant to a Prep classroom.

This interactive workshop offers Teacher Assistants working in a Prep classroom a 'hands on', practical professional learning experience and a wonderful networking /sharing opportunity.

Content Overview

Over three consecutive workshop sessions Teacher Aides will:

- Consider the main components of the Early Years Curriculum Guidelines
- Consider ways to enhance opportunities for learning in the five Early Learning areas
- Familiarise themselves with each of the five contexts for learning
- Consider a variety of tools that highlight and monitor children's understandings
- Consider a range of strategies to scaffold children's learning in different learning contexts
- Have the opportunity to share classroom and relevant management techniques with other participants
