

Teacher Course - 2 sessions (4 hrs) Developing Literacy Skills in the Early Years Prep & Year 1

The main objective of the activities included in this workshop is to assist our youngest learners to enjoy and develop confidence in their 'Literacy Abilities'. Teachers will consider the National Curriculum Achievement Standards expected at the end of Prep and Year One in English.

Content Overview

Literacy Skills/Strategies:

- Strategies to enhance the development of understandings from the emergent to the conventional phase of Literacy
- Differentiating within the Curriculum Area of English to cater for the developmental stages of young readers and writers
- Bringing Literacy to the five contexts for learning
- Literacy tools that can be used by teachers to develop their student's literacy understandings

Language Experience:

- Using classroom experiences to facilitate Literacy development
- Strategies for developing early understandings of print concepts and supporting beginning readers and writers

Teachers will return to their classrooms with a range of practical tools and strategies designed to consolidate and extend all student's Literacy understandings.
